Philadelphia, Pa.

Dear Ed:

I just received your letter saying there had been some discussion about the money Sunday. I can't understand what caused it, as there had been an agreement reached. However, we will get it straightened out in Chicago.

We are playing Chicago in Trenton the 18th and are in Philadelphia the 20th. Can you put us in Chester the 19th? If so, please send me confirmation so I can write for rooms in Philadelphia.

Next, where and when are the players going to leave for the East-West game? When will I receive word who they want from Newark?

We are south from now until the 14th with the Cubans, and I plan to leave for Chicago about the 12th or 13th, if possible. Therefore, I wish you would let me know as soon as possible about transportation for the ball players so I can make arrangements.

Please ask Ianerella if he sent my cards off for Trenton yet, the Eagles versus Chicago, Tuesday, August 18.

Very truly yours,
